Dear Roy:

Someone has just sent me a copy of the Newark Star-Ledger, which contains an extremely interesting article about your work. I am delighted that everything goes so well with you and that you are meeting with so much success. I am sure you must be enjoying your job.

It was good to see you the other day and I am hoping you will sincerely attempt to get that project done.

Sincerely yours,

A large, stylized handwritten signature in dark ink, appearing to read 'Walter W. Pettit', is written over the typed name.
